William Hamlin Joins Jamian McElroy & Hamlin, LLC

FOR IMMEDIATE RELEASE:

June 3, 2009 – *Miami, FL*: William Hamlin has joined the firm of Jamian McElroy & Hamlin, LLC (JMH) as a principal partner. Mr. Hamlin will be heading their newly established office in Miami, Florida with a primary focus on Maritime transportation.

He is presently engaged with the construction of a new generation cruise vessel for Norwegian Cruise line as Vice President, Corporate New build Projects and has served as their Executive Vice President of Fleet Operations. He was previously President Americas Region for APL, Ltd. part of the NOL Group in Singapore and President of Eagle Marine Services, which operated marine terminals in California, Washington State and Alaska.

Bill has held positions in Saudi Arabia, Brazil and France and has traveled extensively throughout his career gaining valuable knowledge and experience in the global supply chain, logistics, terminal and port operations. He has had responsibility for many aspects of terminal operations, transportation, equipment management, maintenance, and cruise operations, new building, quality & innovation, security, safety, procurement, hotel management and labor relations.

"I am very excited to join the Jamian McElroy & Hamlin LLC organization. The diverse and deep experience of the team and the individual passion, dedication and vision of the members reaffirm that we will focus our fullest efforts to help drive the success of our clients. In this difficult market our clients must rely on the experience and integrity of our team to create value for their business."

Bill graduated from University of Maine at Orono in health and physical education and has done an executive partnership course at The Darden School of Business at the University of Virginia
